Survivors Tell Thrilling Stories of Hairbreadth Escapes From Water.

NEW ORLEANS, Oct. 2.—Hopes were expressed here today by persons familiar with conditions in the storm and flood area of lower notwithstanding discouraging reports were brought in by vessels of the situation in Paguemines parish, Louisa great number of marooned persons lining the river banks in that section who were sorely in need of food and shelter and fears were felt that fatail-

shelter and fears were felt that minimities might result before adequate relief could be afforded. Rescue heats have been sent to the section.

The list of known dead in the storm region was increased to 198 tonight when it was learned that seventeen persons, five women, eleven children and a man, had lost their lives at Island De La Croix, 78 miles south of here. The list of reported dead and mission in various sections stood at 316.

Mississippi and the take and bayous. Governor Hall arrived here today to assist the parish and city officials and the citizens' committee in the relief work. A number of additional relief beats were sent out by the committees, firms and individuals today.

The Wolvin liner City of Tampico from Vera Cruz, arrived here today with all her twenty-five passengers sofe, after a tetrific battering by the wind and waves in the gulf of Mexico Wednesday and Wednesday alabit. Two Mexican sailors were swept overboard and drewned.

Affair aranged by one denomination, but is entered into with great spirit by practically every church in Tulsa. Special and attractive programs and services have been prepared. Nothing has been left undone by the clergymen and the superintendents of Sanday schools to make the services appropriate for the occasion.

Membership Contest.

Neither the secretary of state nor the German ambassoior would make any statement. The latter was optimistic and believed the new note would completely solve the situation, Mr. Lansing expressed no opinion, preferring to consult President Wilson Monday but it was evident he did not conference today were seven from Monday but it was evident he did not share the ambassador's optimism, though inclined to regard the new as offering for the present a ne-

the new German note met entirely the violegation of the United States but inasmuch as the American government made it clear to Count von Bernstorff informally that disavowal of the sinking of the Arabic was absolutely necessary before there could be any further negotiation, the general inference was that Berlin had alimitted the error of the German submarine commander in assuming the Arabic intended a hostile act when going to the rescue of the British steamer Dunaley.

Didn't Have Evidence.

Didn't Have Evidence.

It was pointed out as significant in erman quarters that when the Ge man government sent its first note on the Arabic offering to arbitrate the questions of fact in the case, the evijuestions of fact in the case, the evi-

ernment was not berofe it.

The prevalent view tonight was that Germany wished to arbitrate the extent to which Germany was liable un-der the circumstances for a mistake. Whether this would be satisfactory has never been indicated by Wash ington officials.
